

Becoming Like Jesus

As a family, talk about how Jesus treated people:

Brainstorm a list of ways Jesus wants you all to treat others:

Following

Jesus

every day in every way!

Remember: We don't do nice things so we can be recognized. We love others because we have received that love from Jesus. By following His example we become more and more like Jesus! We will never become Jesus, we just want to be his faithful disciples. Always learning and growing!
